

### **P284 Shocking**

Mike says this picture was created for company print advertisements. But he thought Jess looked so nice here, that maybe folks could overlook his "utilitarian" intent and regard this as just a lovely pin-up. No prob.

You really get a sense of Jess's petite-ness here, she sits in that chair like a kitten in a teacup. One thing that's also becoming clear, she seems to be a pretty good "actress".

Ostensibly, she's "shocked" that such a sexy site could be found on the internet, which in itself is cutely naive. But also funny, is that she is NOW on that site herself. Clever. You two make a funny team-up.
